### **Pharus Group, LLC Expands Service and Expertise**

PORT ST. LUCIE, FL – Pharus Group, LLC an established business consulting firm located in Port St. Lucie, Florida has recently merged with David B. & Associates. “We are pleased that David Bernstein and his team of associates have joined our firm to help expand our services of providing business solutions for U.S. and international businesses,” says Chris Morhardt, President and Founder of Pharus Group, LLC. “David has over 20 years of experience in operational management, particularly in the electronic and manufacturing industries.”

As Pharus Group’s Chief Executive Officer, Bernstein will work with clients to increase business productivity while helping to install strong customer satisfaction. “I’ve worked with several companies overseas in Taiwan, Korea, Costa Rica, Israel, as well as the U.S. to increase overall annual sales by millions,” says Bernstein. “I am proud to say that I helped a well-established U.S.-based, 30-year-old company increase its sales from \$3 million to \$9 million in 3 years. My goal is to reduce a business’s overall cost while planning and implementing growth strategies.”

Bernstein has over 20 years of experience in business export compliance, operations management, manufacturing, sales, marketing and product development. He has earned supplier excellence awards from Boeing, General Dynamics, Lockheed, and Raytheon. He is a graduate of Long Island University and has been certified by the International Organization for Standardization (ISO) in Quality Management Systems ISO 9000/2000, ISO 14001 and the Aerospace Basic Quality System Standard AS9100 standards.

Pharus Group, LLC provides business consulting services for new business start-ups, turn-around situations, and companies coping with the new economy through executive coaching, business plan preparation, operational analysis, strategic planning, management training, employee development and marketing services.

“Every company, no matter what the type or size, has some room for improvement. In any company, there should be room for practical ideas that improve operations, reduce waste and make the business more efficient. Our drive is to keep our clients’ businesses on task and to provide results-driven change to maximize performance and profitability.” says Chris Morhardt.
